

Some members may be faced with travel or geographic challenges or may face barriers such as language, cultural considerations and/or anything else that could separate a person who needs A.A. from our lifesaving program of recovery.

## DISTRICT 6

For those who are unable to get out to meetings there is a list of online resources available in many languages at:

**<http://www.aa-intergroup.org/>** - including meetings via email, chat/text, audio/visual, discussion forums, and telephone.

Please contact us for additional information and resources, or to report problems with any of the resources listed.

I am responsible...  
When anyone, anywhere reaches out for help, I want the hand of A.A. always to be there. And for that; I am responsible.

## AREA 15 DISTRICT 6 REMOTE COMMUNITIES

---

A remote community is any community where it is difficult to carry the A.A. message because of language, culture, geography, or life condition.

Information for both Spanish and French speaking persons living in District 6 area seeking help is available, as well as a list of Spanish or French speaking meetings.

Resources for Spanish speaking are found at the Broward County intergroup website,

<http://www.aabroward.org/search.asp>

by selecting “advanced search” option.

Spanish speaking information for District 17 is found at:

[www.districto17miami.org](http://www.districto17miami.org)

French meetings for District 6 and areas to the South are found at the English Broward Intergroup, 3317 NW 10th Terrace, FL 33309 and on-line at:

[www.aabroward.org/search.asp](http://www.aabroward.org/search.asp)

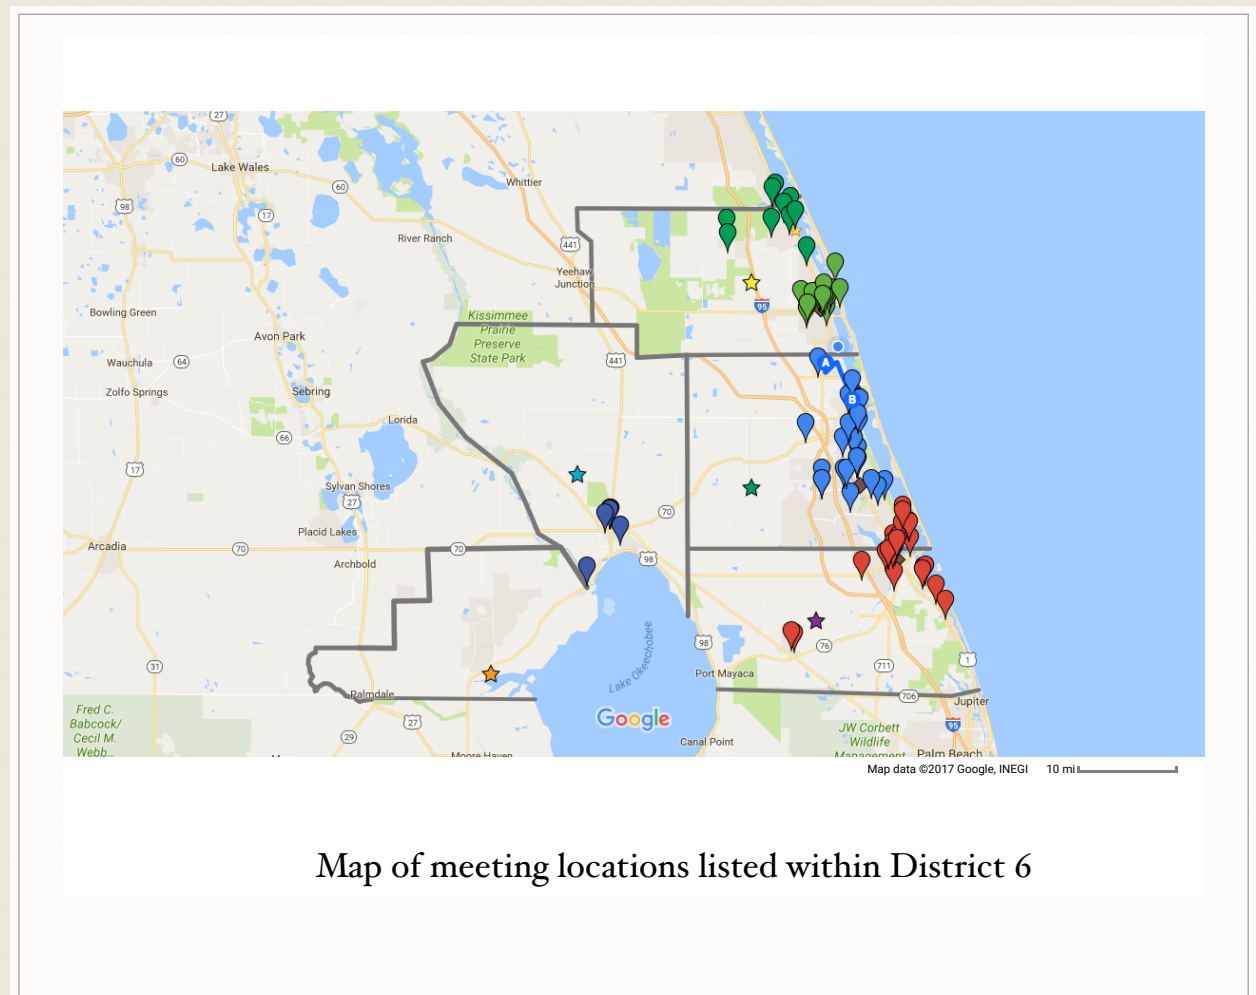

Select “advanced search” option.

There are several Spanish speaking meetings located in Indian River County (<http://www.indianriveraa.org/>) and in Fort Pierce and Port St. Lucie

(<http://aastlucieintergroup.com/>)

## REMOTE COMMUNITIES

District 6 has many meetings in the four counties (Indian River, St. Lucie, Okeechobee\_ and Martin). The Northeast area of Glades County, contained in District 6, has only one meeting. As is shown on the map below, most meetings are located along the easterly portions of the counties, leaving minimal coverage in the western areas. This pamphlet contains resources for people wanting sobriety who live in the remote areas.
