

# **DID ALCOHOLICS ANONYMOUS SAVE YOUR LIFE? WANT TO SAVE OTHER ALCOHOLICS WHO ARE STILL SICK AND SUFFERING?**

We currently have no team members on these LIFE SAVING committees so join the **vacant** District 6 **REMOTE COMMUNITIES COMMITTEE** as well as the **ROOM AND RIDE COMMITTEE**.

## **Remote Communities-**

Volunteers are needed to help distribute to our Western County areas and along coastal marinas for these transitory populations. Some of the things you can do to help:

- Visiting laundromats are good locations for literature racks as well as any location migrants visit or gather daily.
- Handing out Spanish Big Books to local libraries.
- We are trying to reach out to the "Loner": the AA member who is unable to attend meetings because there is none in the vicinity where they live. Or the 'Homer' the AA who is unable to attend meetings because they are physically incapacitated.

**Room and Ride Committee-**This Committee communicates the district needs for rides to both District 6 and Area 15 business meetings. A "needs help" sign in sheet will be provided at District 6 monthly business meetings. The members of the committee and the Chairperson will offer support to any GSR's that may not have gotten a room reservation on time or who are finding it hard to get to business meetings

**In order for those who have recovered from a hopeless state of mind and body, we must give it back to keep it.**

To find out more information about how YOU or any others can help in serving on these two Committees or on any of the District 6 Committees that have saved your life.
